

Ski slopes

SANVALENTINO (1250 m - 1550 m):

The ski resort of San Valentino, born in the Mosee area at the end of the 60s, is universally recognized as the ideal place for those who want to begin to approach the practice of skiing or snowboarding. A Valentine area has two camps with three treadmills to slopes from gentle slopes service. There are also tracks higher difficulty and trails reserved for the ski club training sessions served by a modern chair lift and a ski lift. United into a single ski area with 25 km of total trails of all levels to POLSA (1250 m - 1550 m): historic ski resort was born in the sixties, has a fantastic sun exposure and considerable slopes greatly appreciated amplitude from families and snowboarders. Equipped with the latest school camps equipped with treadmills, ideal for those who want to bring to skiing or snowboarding in complete safety. Two quad chairlifts, recently established guarantee a wide variety of trails from easy to more challenging ones.
