Enjoy fresh espresso and delicious cappuccinos and then step out the front door: you are already on the ski slopes!

25 km of excellent slopes welcome skiers of any level: beginner, intermediate and advanced. After a day of skiing the Alps, enjoy our Italian cuisine or you can simply relax in front of our taverna's roaring fireplace.

A ski-school, equipment shop (with both skis and snowboards) and even a lighted skating rink mean that you have everything you need for an ideal ski holiday
